

WELCOME TO JAPAN

Take advantage of your spare time while attending the conference in Japan! There are many Cherry trees usually come into full bloom in April and it is the most beautiful time of the year. Around the time of the conference is cherry blossom season and will be the best time to visit Japan.

The 634-meter high Tokyo Sky Tree, the tallest free-standing tower in the world, is expected to be completed in the Spring of 2012. Will the grand opening of Tokyo Sky Tree happen in time for our conference in April? Would you like to be among the first to visit Tokyo Sky Tree?

Shop for bargain-priced home electronics in Akihabara. The area is well known as Akihabara Electric Town to many people even outside Japan. Maid café and otaku culture are some of the many subcultures popularized in this area.

Japanese sushi is one of the most popular cuisines in the world.

There are many different forms of sushi and restaurants to choose

from. Conveyor belt fast food or kaiten sushi restaurants offer two pieces of nigiri for as low as 100 yen while fancy gourmet traditional sushi restaurants offer much more service for higher prices.
